AN eye surgeon is appealing for the safe return of her laptop and £3,000 of medical equipment used to treat sick children which was stolen from her Berry Hill home.

Jane Marr, of Waterson Oaks, says the laptop and memory sticks containing material used to teach medical staff were taken during a raid on their home between Thursday night and Friday morning, in which thieves also stole a silver BMW.

Also taken was a bag containing eye examining equipment which Miss Marr uses to treat children with brain and eye tumours, and babies with cataracts at Sheffield Children's Hospital.

Miss Marr says she is willing to pay a small reward for the safe return of her equipment.
