WEST GLACIER - Glacier National Park officials report that two laptops and two desktop computers were stolen from the Apgar Ranger Station sometime between Saturday night, May 23, and Sunday morning, May 24. No other items have been reported missing.

The laptops are IBM ThinkPads. One was in a black computer carrying case. The two desktops are Dells. Officials say no sensitive information is on the computers, but they are eager to retrieve them. An investigation into the thefts is under way.

Park officials ask that anyone with information concerning the crime, or knowledge of any suspects in this case, call CrimeStoppers at (406) 752-84677 or (406) 752-TIPS.

CrimeStoppers will pay a reward of up to \$1,000 cash for information leading to the arrest of persons responsible for the crime. Callers do not have to identify themselves for a cash reward. Information can also be called to Glacier National Park headquarters at (406) 888-7801.
